**ZAIN INTERNATIONAL**  
MANUFACTURERS & EXPORTER SAFETY FOOTWEAR

# About us

**ZAIN INTERNATIONAL IS A SISTER CONCERN COMPANY OF YAQOOB TANNERS, WHICH NOW HAS ITS OWN MANUFACTURING FACILITY AND PLANS TO REACH OUT TO MORE PEOPLE.**

**ZAIN INTERNATIONAL** is a reputed name in the industry manufacturing, exporting and supplying a quality assortment of Finishing Leather, Safety Shoe Upper, Military Boots & Industrial Safety Shoes, located in Kanpur, Uttar Pradesh.

The finished leather is produced in several different articles and colors in Buffalo at our tannery with most modern imported equipments. Our leather is suitable for, shoes and leather goods. We have qualified leather technicians who can always develop new finishes as required by the customers.

If your work type is tough and you need to work in the outdoors or in an industrial environment with sharp and falling objects everywhere, then safety shoes are a must have for you. Safety at work is very important and ensuring that all your body parts including the feet are protected. Safety Shoes are an investment for your future. Our entire range of Safety shoes and boots are made of 100% genuine leather upper and polyurethane soles that make these shoes durable and with features like puncture proof, anti skid and oil resistant. Also available are shoes with steel toe or fibre toe ensuring complete protection to your foot. Being lightweight these shoes can be worn on a daily basis while riding a motorbike or driving a car as well.

Safety shoes are essential in a lot of work environments. zain international offers a wide variety of great quality safety shoes and work boots in worldwide.

Since 2001 customers like you have come to us again and again because of the high quality boots that we offer. Our number one priority is to keep you safe!

The company rests its pride on an experienced team that is well versed with every aspect of production of Safety Shoes. With their vast experience, we have been successfully catering to the various industries as per their requirements. They always keep themselves abreast with ever changing market requirements to meet the prevailing needs.
